Director's Message

Dear Residents,

There are always things to do in Southlake, but the summer of '09 promises to be the best one yet so take this letter as an invitation to get involved. From new parks for people to play and relax, to summer camps for kids, from senior trips all over Texas, to the library's Summer Reading Club, there's no shortage of things "to do" this summer!

Kids will be anything but bored at this year's summer camps including Camp Summer Oaks at the Bob Jones Nature Center & Preserve, numerous arts, science and sports camps, Teen Scene and of course C.A.M.P. Mania, our summer day-camp that includes special events and field trips to the best fun spots in DFW.

Mom and Dad, there are other things for kids to do as well. Don't forget about our summer athletic programs including the Southlake Stingrays Swim Team, Summer Track, Youth Basketball and Tennis camps and classes at the Southlake Tennis Center. More information can be found starting on page 30. Check out our health and wellness programs for the entire family, and discover all of our wonderful athletic programs for kids of all ages throughout the Southlake Scene.

Kids won't be the only ones getting out and about. Summer activities at the Senior Center offer day and overnight trips including adventures to San Antonio, as well as our "Senior Sock Hop" right here in Southlake. Everyone 55 and older is invited to visit the Senior Center, which is alive with activities all year long. Need more information? Go to page 36.

Families will enjoy the newest City parks, Royal and Annie Smith Park and Liberty Park at Sheltonwood. These parks, which are scheduled to be finished by early summer, are a great addition to our parks system and I hope that you will enjoy them. For a complete list of our parks and what they have to offer please visit the parks pages at www.SouthlakeParksAndRec.com.

The Southlake Public Library is kicking off summer with the annual Summer Reading Club. The summer-long program encourages kids to read books, magazines, newspapers or any printed materials so they can have fun reading and earning prizes. The Library will also host many fun filled programs with entertainment throughout the summer. Be sure to check out the city's website www.SouthlakeLibrary.com for updates.

Finally, I want to remind everyone to join us for our special summer events including a Family Campout at Bob Jones Park, the spectacular fireworks show at the City's annual Stars & Stripes event on Friday, July 3, and our Saturday night Masterworks Music Series (Rustin Park in Town Square) featuring a variety of local musical talent.

I hope that you'll take advantage of the many wonderful activities we have this summer! If you have questions, please call us at 817.748.8019 or go to www.SouthlakeParksAndRec.com.

Sincerely,

Chris Tribble
Director of Community Services
